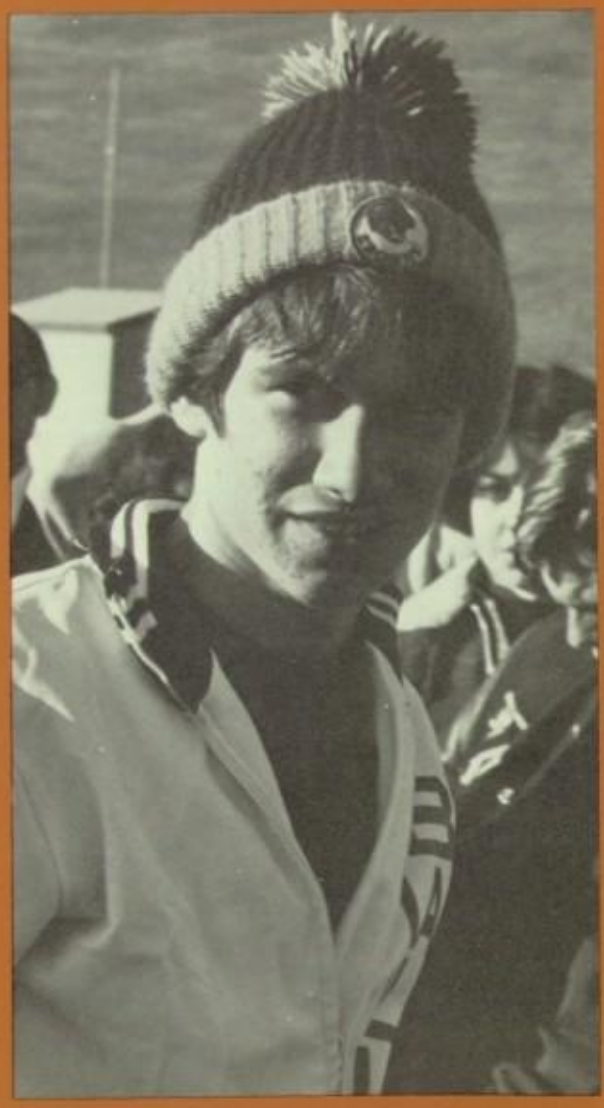
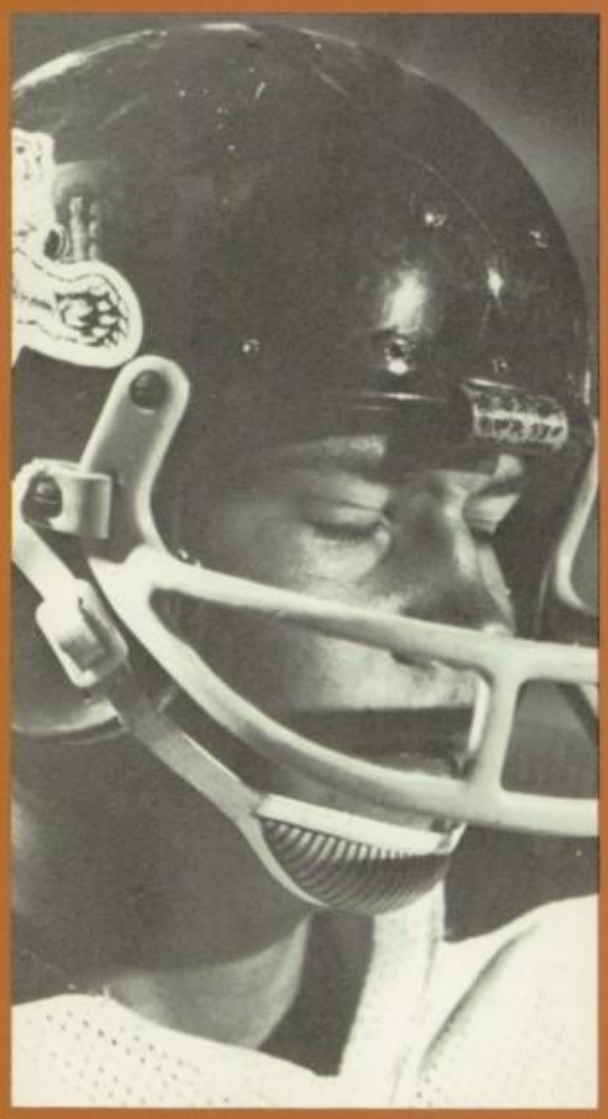
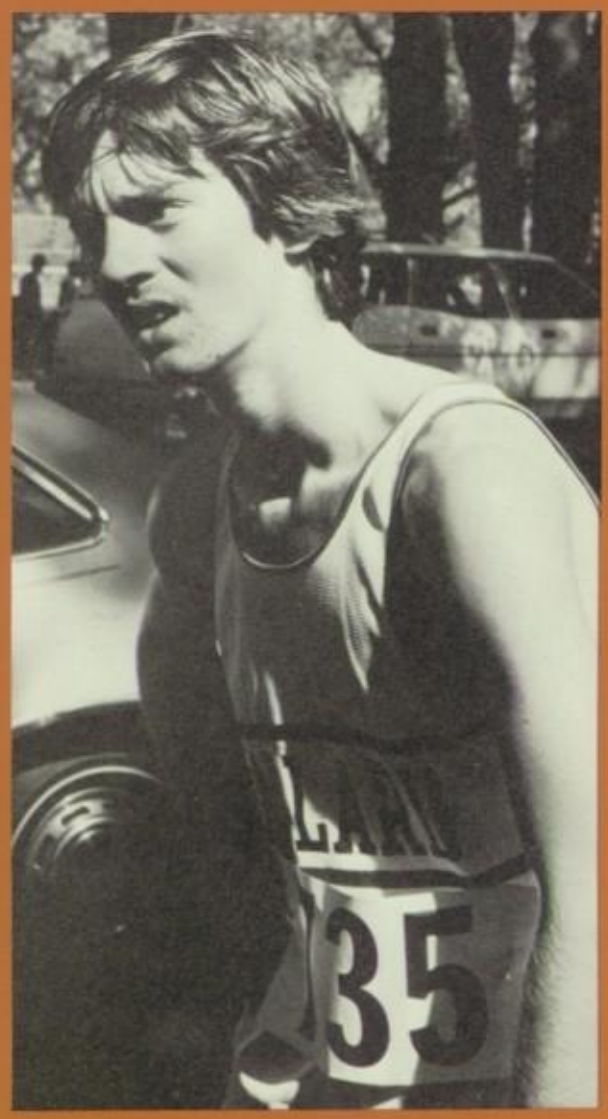
SLADE

Faces are the cover to the feelings,
Beneath the cover is the truth.
Faces hide the inner struggles,
The better thoughts are hidden beneath.







35

But faces, when inspired by beauty
Will in turn begin to shine.
And the two will shine together,
And in that moment there will be love.

Homecoming

October 15 - Rain Predicted. But even that grim prospect couldn't dampen our Homecoming spirit. As it turned out, good weather did prevail as we beat Moore 35-28. Mindy Clark was crowned Homecoming Queen and her court consisted of Jane Barhorst, May Raible, and Virginia Sieberlich. The senior float, with a huge stuffed teddy bear on a rocking horse, won, as usual. The Homecoming dance also proved to be a great success with a live band, Zinn.

Seniors Victorious in Powder Puff Again

This year the first game of the season between the Freshman girls and the Junior girls found the Juniors victorious. After giving a good fight, the Sophomores lost to a tough bunch of Seniors. The play-off game between the Seniors and Juniors left tears in the eyes of many Juniors as the Seniors snuck by them 7-0.

Watch Out Girls, the Styx Are Here!

The girls on the hockey team have encouraged many spectators to cheer at their games. Many fans have caught a communicable disease known as "Hockey Fever."

It is this disease that produced the boys' hockey team, the Styx. At this year's Styx-Hockey team game, the "Battle of the Sexes" continued in typical form, with tripping, kicking, pushing, and hitting by both teams. Although the final outcome was a 0-0 tie, the Styx still insist that they are victorious (just because they are male).

The Styx completed their three-game season by beating previously undefeated Collegiate 2-0.

Teachers' Strike Closes School

Black armbands and phrases such as "Talk or We Walk" or "Don't Wait, Negotiate" began to appear early in the school year. However, it was not until November 30th that the word STRIKE became a ten day reality for students, as well as teachers at Ballard.

Instead of carrying on their usual classroom duties inside the school, teachers could be found outside walking a picket line or huddling around a bonfire trying to keep warm in the 20° weather.

The mass support of the first few days diminished little, and teachers were drawn closer by their common cause. The spirits of the cold teachers were kept high in knowing that a limit to class size, adequate pay, duty-free lunches, and binding arbitration would make for a better Jefferson County School system.

You've Got a Friend

What means most to you at Ballard - your classes, your wonderful teachers, your stimulating academic schedule, your fun homework? Nope - it's your friends. What would you do if you had to live through Ballard without anyone to complain to, or anyone to hang around with, or anyone to cut with? It's the friends that make the Ballard experience bearable and that's what this page is dedicated to.

Of the people in my past
Fading faces in a waking dream
And though they never seem to last very long
There are faces I remember
From the places in my past . . .

But I still love those good times gone by
Hold on to them close or let them go

Ballard Goes Back in Time on 50's Day

Bobby socks, greased-back hair, pony tails, and a lot of "Hey Maaan"'s - that was the scene on February 18th, as Ballard continued its annual tradition of 50's Day. Throughout the day, dangerous looking gangs and gum-popping, roller-skating girls roamed the halls. Halftime at the basketball game was spiced up by a Best-Dressed contest and a 50's Drill Corps Routine. The Annual Sock Hop followed, with disc jockey Bob Moody presiding. Although the dance was as much 70's as 50's, everybody had a great time slipping back into time.

Oklahoma in the Making

This year's Senior Class Play, Oklahoma, got off to a slow start but with great dedication turned into a top-notch performance. Through the efforts of Miss Cooper, the sponsor, and Mr. Gregg, the troublemaker, this odd collection of talented youngsters showed promise and personality. Credit is also owed to this year's new director Liz Hildescein and choreographer Sherri Gilpin.

STUDENT COUNCIL

Student Council is hard work for students and requires many hours of work to achieve its goals. It must be a unified effort by all those who participate with no room for apathy, prejudice, or cliques to interfere with this important voice of the students. Most important is not to look back on past failures but keep ones head held high and work even harder at new goals.

BETA CLUB

On October 26, 1976 the Beta Club initiated 120 new members thus bringing the total membership to a record-breaking 220. In December Beta Club members attended the National Convention held in Louisville at the Galt House. Although Ballard's candidate for president, Holly Wright, was not victorious, Beta Club members learned a lot about campaigning and met students from other Beta Clubs. Activities for 1977 included the Auction and the Red Cross Drive. At the end of the school year, the Beta Club recognized some of its outstanding graduating members by awarding a number of honor scholarships.

The National Honor Society is a service organization designed to encourage student participation in various charitable and community projects. Each member must maintain a 3.5 grade point average as well as accumulating 40 service hours. This year the NHS has held bake sales, car washes, a doughnut sale, and a paper drive to raise money for the Brooklawn Children's Home, various scholarships, and a Korean child. The National Honor Society also held a picnic and a skating party.

DRILL CORPS

Being a Ballard Bruinette requires a great deal of time, hard work, and enthusiasm. With the help and encouragement of sponsor Jan Lindsey, the Corps practiced through the teachers' strike and endless snow days to strive for perfection with each performance. The work lasts from tryouts in spring, through summer clinics, camp, football season, basketball season, right up to competition and new tryouts. This year's leaders are Captain Donna Lough and Co-captain Gaylinn Mix. The four lieutenants are Joan Roberts, Shelly Wines, Lori Heath, and Janet Miller.

PEP CLUB

This year, once again the Pep Club has been busy baking cookies and making signs to hang up all around the school and on the doors of the players' houses, in order to boost a little spirit. Throughout each sports season, the club decorated the lunchroom to add a little interest to the games. The Pep Club has also sold Derby hats, football and basketball stickers, silk-screened T-shirts, and set up pep sections at the game. Our thanks is extended to the sponsor, Mr. Lord, and all the club members for their hard work and enthusiasm.

Ballard's German Club, although small in number, has big plans for the future. Already this year, we have taken a trip to the International Festival in Cincinnati, and also designed and sold our own T-shirts. As has been done for the past few years, a graduating senior, who is also a member of the club, will receive a $100 scholarship. The officers: President - Deidre Johnson, V. This year's High-Q team has only one returning member, Tom Dorsey, who has been on the team since he was a Freshman. Mrs. Baer, the sponsor, wanted to compose a team with knowledge in all areas. During the first quarter eleven people met for try-outs. From these a team was chosen - four people to compete and one alternate. The team met weekly to prepare for their first game in January, and another in the spring.

The program of active chapters includes math tutoring, the making of math oriented posters and several distinguished guest speakers. Students may also present projects, talks, or interests of their own if they wish.

COMPUTER CLUB

The Computer Club is composed of approximately 20 members. The club is a supplement to the class which lasts only one quarter. The students in the club spend their free time working with the computers. Mrs. Wilhoit, who is the sponsor, planned to take the club on some field trips this year.

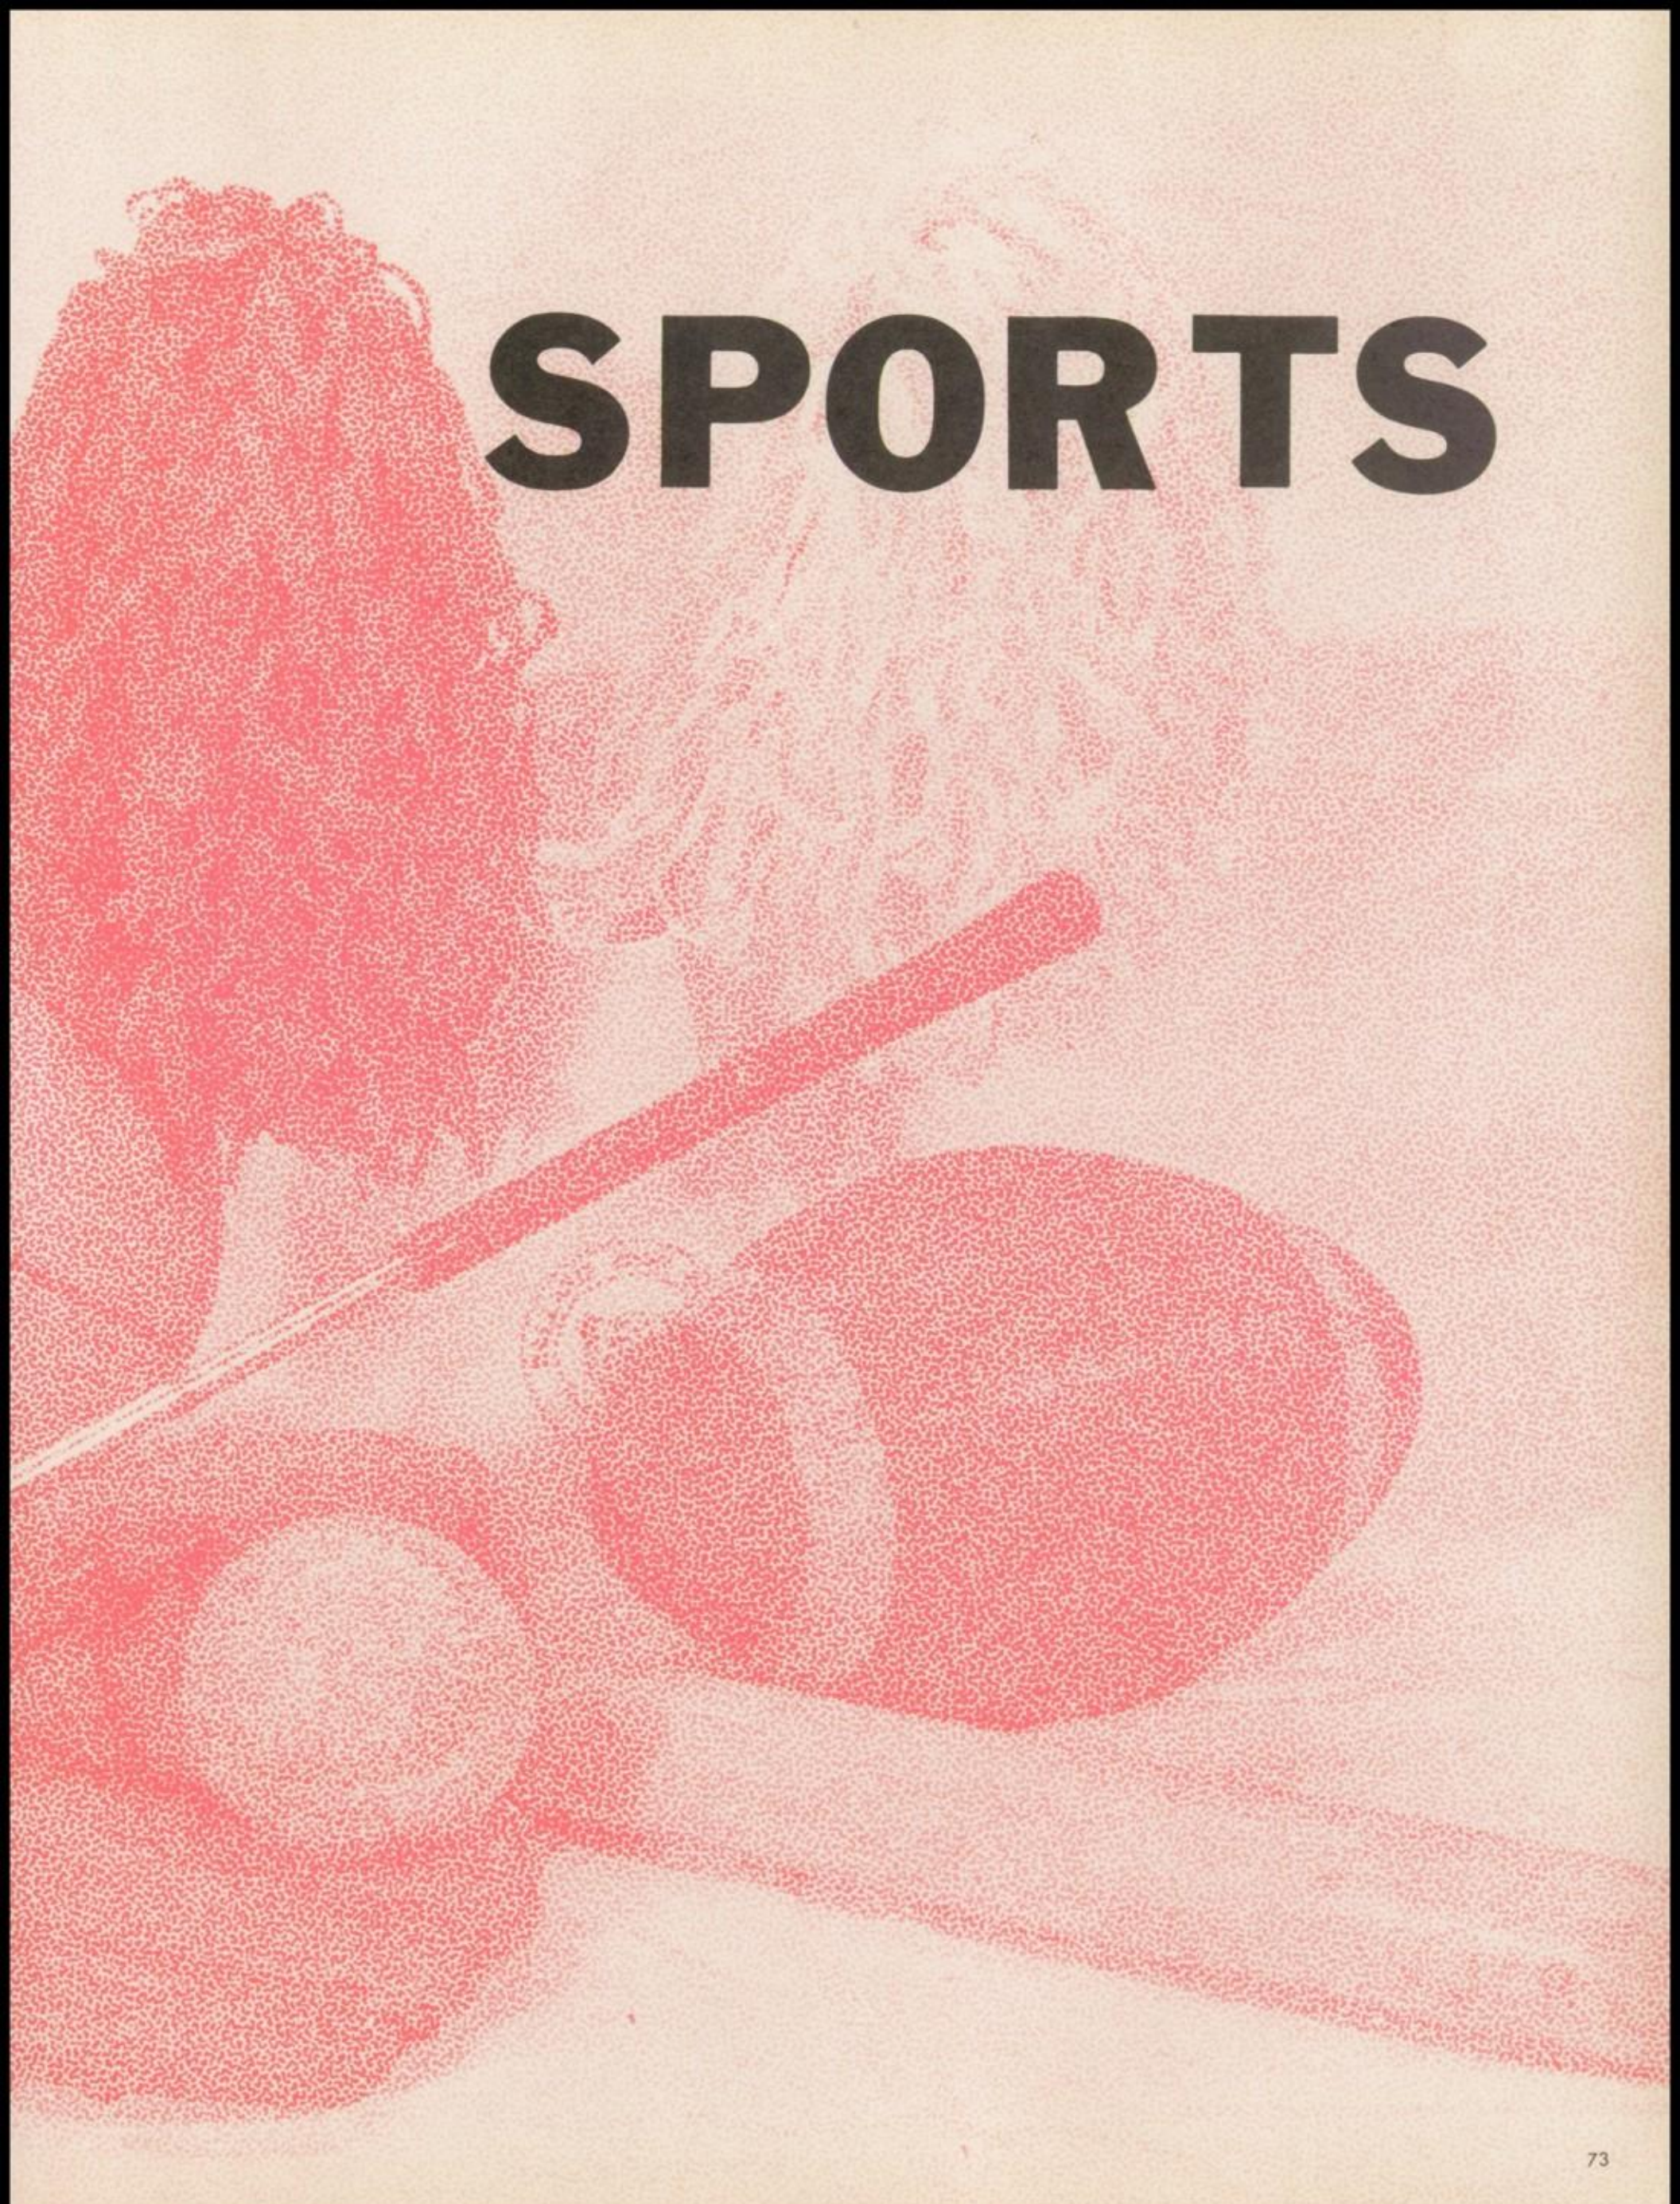
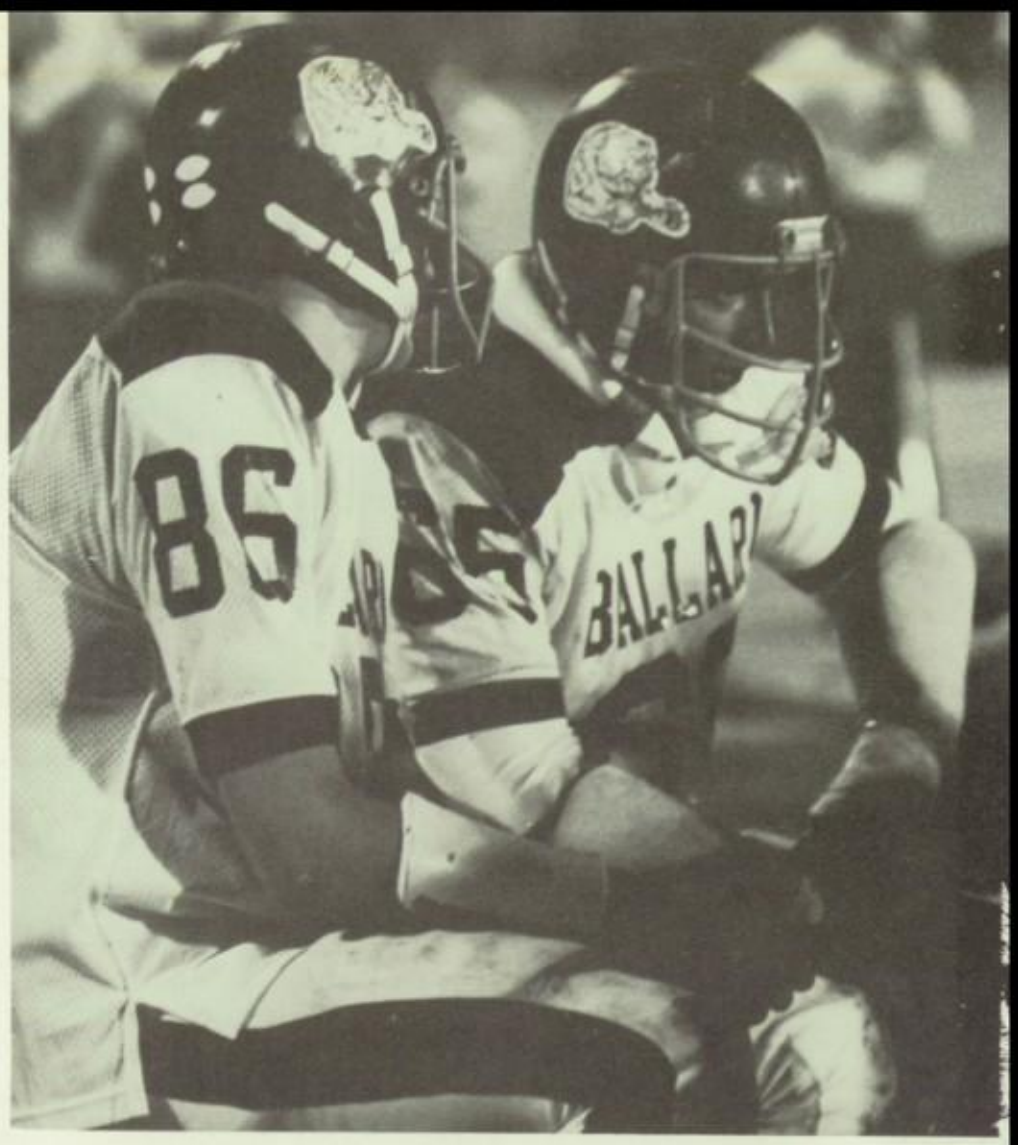
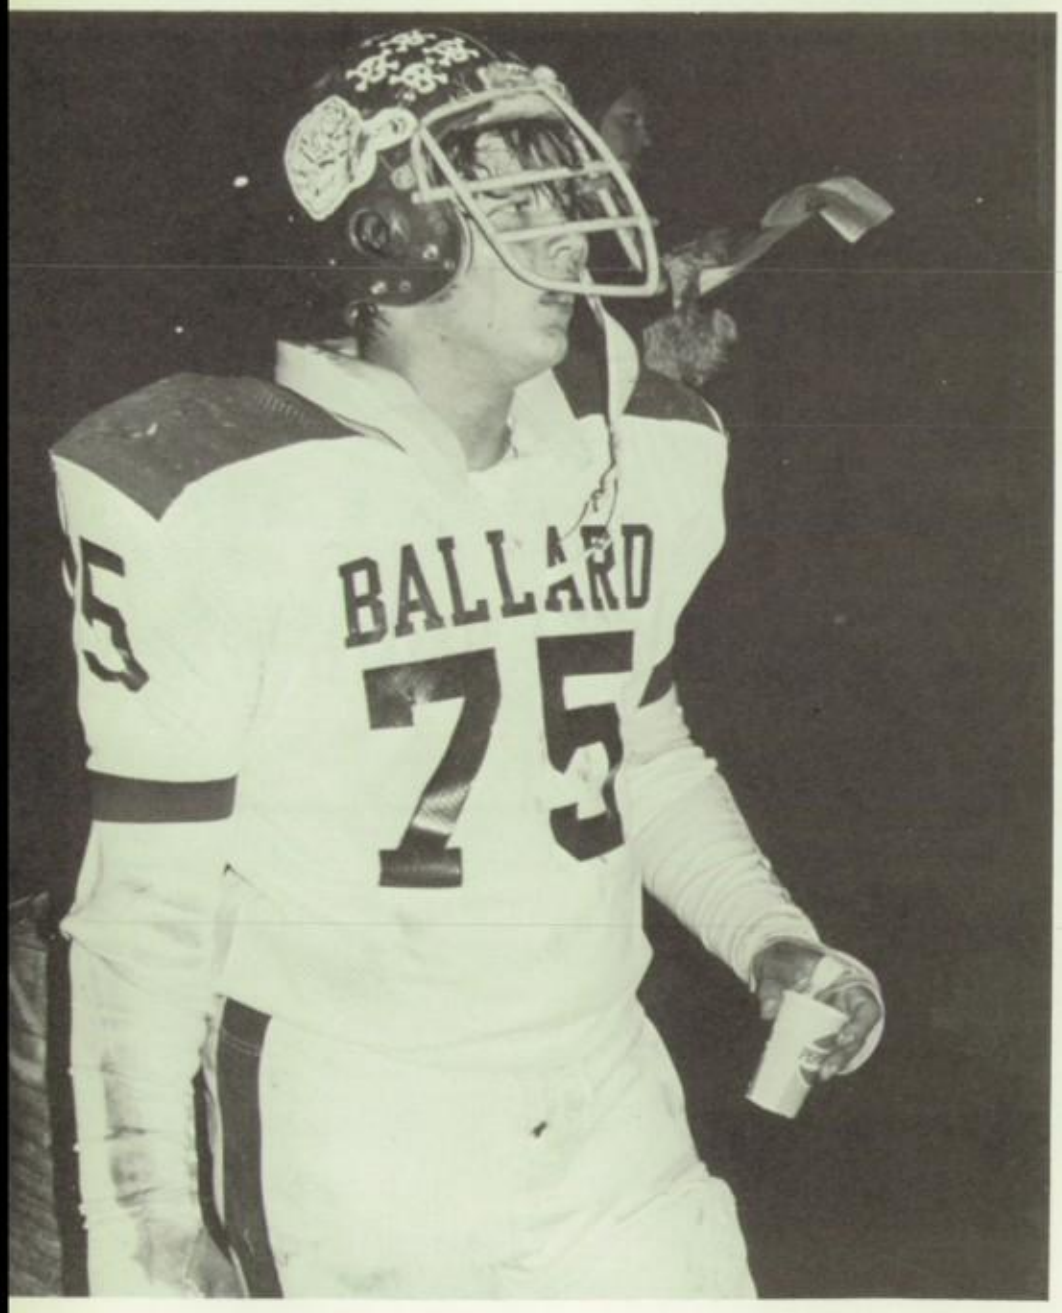
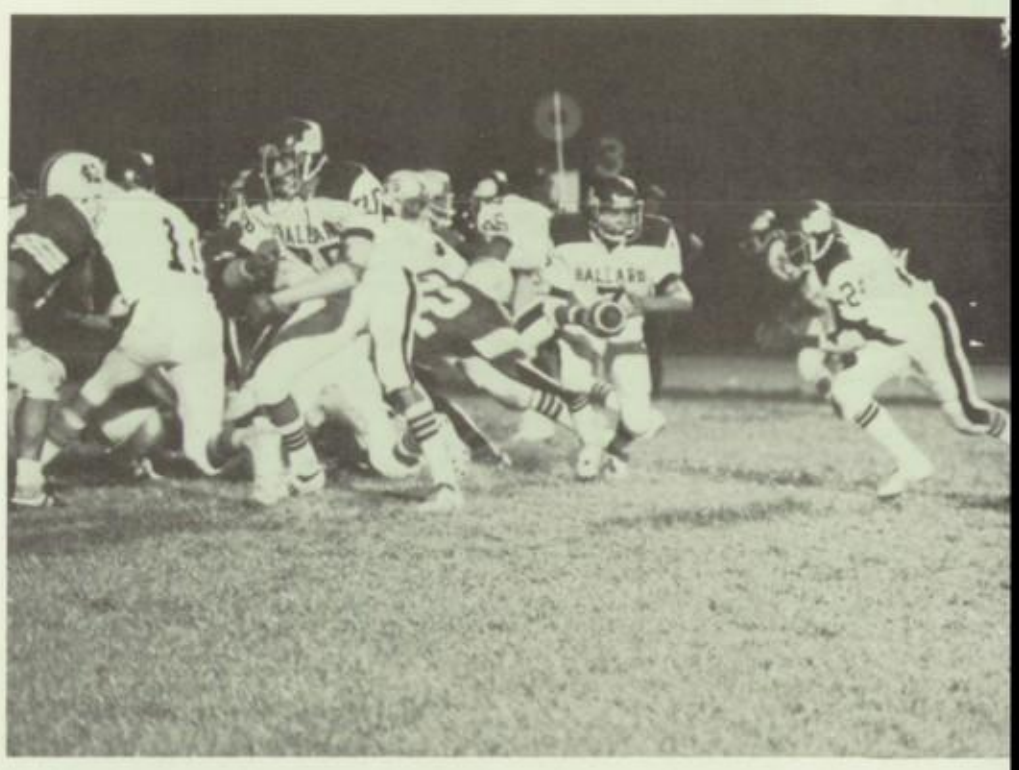
SPORTS









The Bruins in Action

The 1976 Ballard Varsity Football Team finished the season with a 4-7 record. But despite this disappointing record, Ballard has great hopes for the future. With the hiring of new head coach Bob Redmon, as well as three assistants, the team has high hopes of compiling a winning record in the coming years.

Junior Varsity Football Team

The Junior Varsity team, led by Coach Allen Baker, finished this season with an impressive 6-1 record, the best record in the county. With the youth of the J-V team and the rising talent on different levels, Ballard's football future looks very bright.

Under the encouragement of Coach Susan Fetter, the Hockey team has completed its best season ever with a 6-3-2 record. The team combined greatly improved skills and spirit to top off its season by tying previously undefeated and untied Collegiate.

Next year the team will lose the experience of ten seniors. But with so many talented underclassmen, the Ballard Hockey team will surely continue its winning streak.

Wrestlers Struggle to Top

Although this year's wrestling team had a rather tragic season, Coach Goerge Lord looks forward to a successful season next year with his young team. Losing only two varsity starters this year, the team should be ranked among the top teams in the state next year. This year's Coach's Award was presented to Mike Small, one of the two seniors on the team. Paul Mackey, a junior, was voted Most Valuable Wrestler.

''THE WRESTLER''

Now, you know your football
And your basketball too
But there's one more athlete
I'll introduce to you.
His uniform is different
The finest you've ever seen
The fans call him their Hero
He really is supreme
He is trained in a small room
A room the others have forgot
Where the temperature is over
100 degrees
And the air is scorching hot.

He has had a hundred bruises
and twice as many spills
But he keeps coming back
To give his fans a thrill.
Now gals, here's a tip
I'm handing down to you
Just get yourself a wrestler
He will know what to do.
And when he gets to heaven
To ole St. Peter he will tell
''Another wrestler reporting sir
I've done my time in hell!''

The Girls Make A Big Splash!

The 1976-77 Girls Swim Team had a terrific year. Seniors Cathy Morrison, Peggy Morrissey, Bobbi Wagemaker and Jan Moyse contributed a lot to this year's team. Junior Rosemary Boone also became a state champion after winning the 100 yard back stroke. The Bruin's record in dual meets is outstanding. After beating Central, Westport, and Atherton, the girls lost their first dual meet ever to Eastern High School.

We Are Number One!

When the '76-'77 basketball season opened, the critics said it would be their best year yet. However no one expected it to be a year of so many milestones. For the first time in Ballard's history, the Bruins were ranked no. 1 in pre-season polls. They moved out of Male's shadow and into their own light by winning the L.I.T. for the first time. Ballard also shared honors with Dematha High School (MD.) by winning the first Annual Stewart's Ky. Classic. Another prestigious attraction is having the two top ranked players in the state, Jeff Lamp and Lee Raker, on the team. However, the real test of superiority will be the 1977 Regional and State Tournaments.

J.V. Prospects Look Great

This year's Junior Varsity Basketball Team, under the careful guidance of coach Donald Salyer, finished off this season with a very impressive 22-0 record. Our J.V. Bruins then went on to win the county and district tournaments. The main thrust of power originates from four double-figure scorers: David Stanley, David Hixenbaugh, John Parrot, and Jeff Hersey. With talent like this on the J.V. team, Varsity coach Richard Schmidt should have no trouble finding starters in the years ahead.

The Girls Basketball Team ended the season with an 8-10 record. The team gave it 100% effort but at times couldn't get it together. Many of the games came down to the wire with Ballard falling just short of the wire.

Girls Basketball Comes Down to the Wire

The most impressive victory of the year was over the reigning State Champs, Sacred Heart. Other wins included Eastern, Durret, J'town, Waggener, Angela Merici, Southern and Seneca. The only seniors were Katie Rooney and Jenny Watkins. These two were backed by juniors: Peggy Freeman, Caren Cunningham and Lisa Rosenbaum. Other major assets to the team were, sophomores, Shari Schaftlein and Betty Jo Handley. With coaching from Miss Susan Tougher, the young team looks promising.

Rah-Rah-Sis-Boom-Bah

This year's Ballard Varsity cheerleaders began work in the summer at University of Kentucky's Cheerleading Camp. They received one superior and two excellent ribbons.

Although cheerleading may look fun and glorious from a spectator's point of view, there is much work involved. Besides cheering at varsity boys sports, they also cheer for girls varsity basketball. Cheerleaders must also obey rules and regulations. Besides maintaining a "C" average, there is no gum chewing, cursing, or smoking in uniforms. They must always show good sportsmanship, even after a team loss, which isn't always easy. This year's squad would like to extend a very special thanks to their dedicated sponsor, Matilda Walker. "Thanks, Tilly."

Junior Varsity Cheerleaders

This summer the Junior Varsity cheerleaders attended a U.C.A. cheerleading camp at Morehead State University. They were there for five days, and competed against other squads from various states. They won several awards including a superior gold ribbon and a spirit stick.

Under the supervision of Matilda Walker, the J.V.'s along with the Varsity girls held a cheerleading competition at Ballard to raise money.

Later on in the year they hope to compete at Western Kentucky University and other schools.

With Captain Sally Scott leading the squad, they were proud to cheer for an undefeated J.V. Basketball team and one of the top Football teams.

The 1976-77 track team is composed of 60 members. Only 5 of these are seniors; which means we have a very young team. Girl's Track Team Strives for Perfection

Sue Fetter, coach of the Girl's Track Team, has high hopes for the team this year. Not only have several girls with potential come out, but the old ones have returned. The older and more experienced members - Sharon Storm, Betty Jo Handley, Angela Tucker, Mary Lou Wolf, and others have helped the team greatly with their ability as well as their knowledge. With everyone working together, the girl's track team should wind up the season being # 1!

This year's Golf Boys' Team had a fine season, according to new coach George Lord. Returning from last year's team were Steve Van Dyke, Ted Shulz and David Sawyer. Bill Barriger, a freshman, plus newcomers to Ballard; Matt Phillips and Doug Carroll added strength and depth. There were 27 individual matches scheduled starting on April 1. Soccer Team Hopes for Another Championship

5.

The Ballard Soccer team finished the 1976 season with an 18-1-1 record and won the State championship.

It is hard to get to the top, but even harder to stay there. Ballard hopes to defend the championship with team leaders like Bill Laise, Steve Roberts, David Hatcher and Bob Pfister. The Bruins are picked to finish second this year behind a strong Westport team. Of course coach Baker and the team have visions of another crown.

The 1977 Ballard Baseball Team looks forward to a winning season. Coach Al Minnis is very optimistic about this year's players. Scott Neal and Doug Daniel lead a strong pitching staff. Boys Cross Country

This year's cross-country team started off with lack of experience. But led by top runners Dale Sirrine, Jim Brill, and Ray Sharp, the team continued its three year undefeated dual meet record. Ballard won both the County and Regional championships, but finished second in the state meet.

1. Jim Brill - the smile of victory.
2. Tom Pfau, Dean Hubbs, Steve Rauh - just a little rest please!
3. Lou Armstrong - only a little bit further.
4. Ray Sharp - I think I can make it.
5. Jim Brill, Coach Schildknecht, Steve Ferguson - last minute pointers from the coach.
6. Coach Schildknecht and Dale Sirrine - looks like you can use some Gatorade.
7. Tom Pfau - trucking.
8. Steve Rauh - you deserve a drink.
9. Dale Sirrine, Jim Brill and Ray Sharp - it's going to be a close one.
10. Ray Sharp, Dale Sirrine and Jim Brill - a final strive for victory.

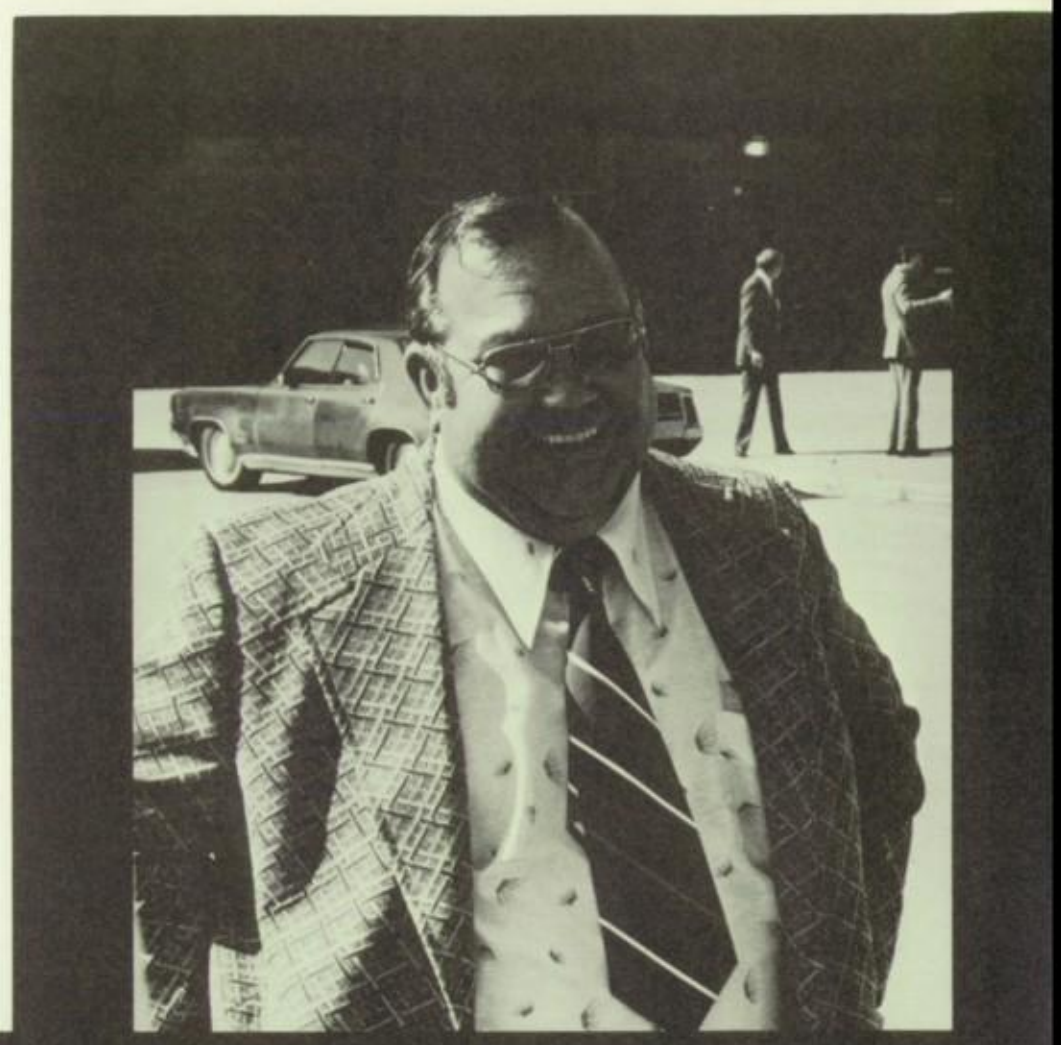
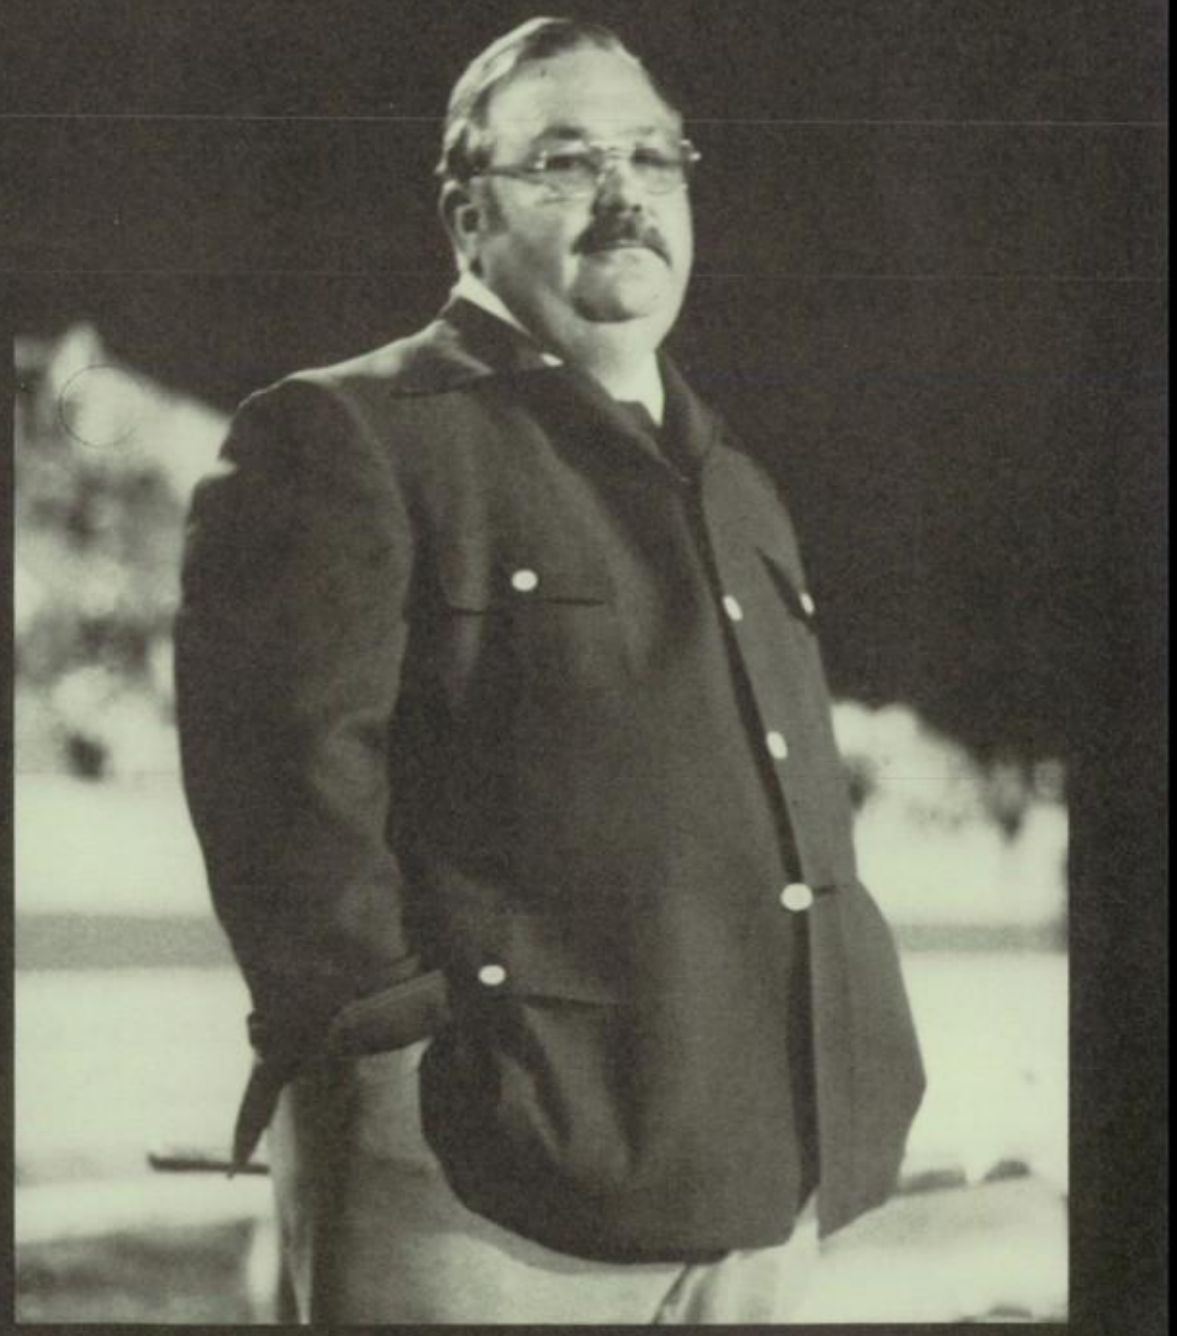
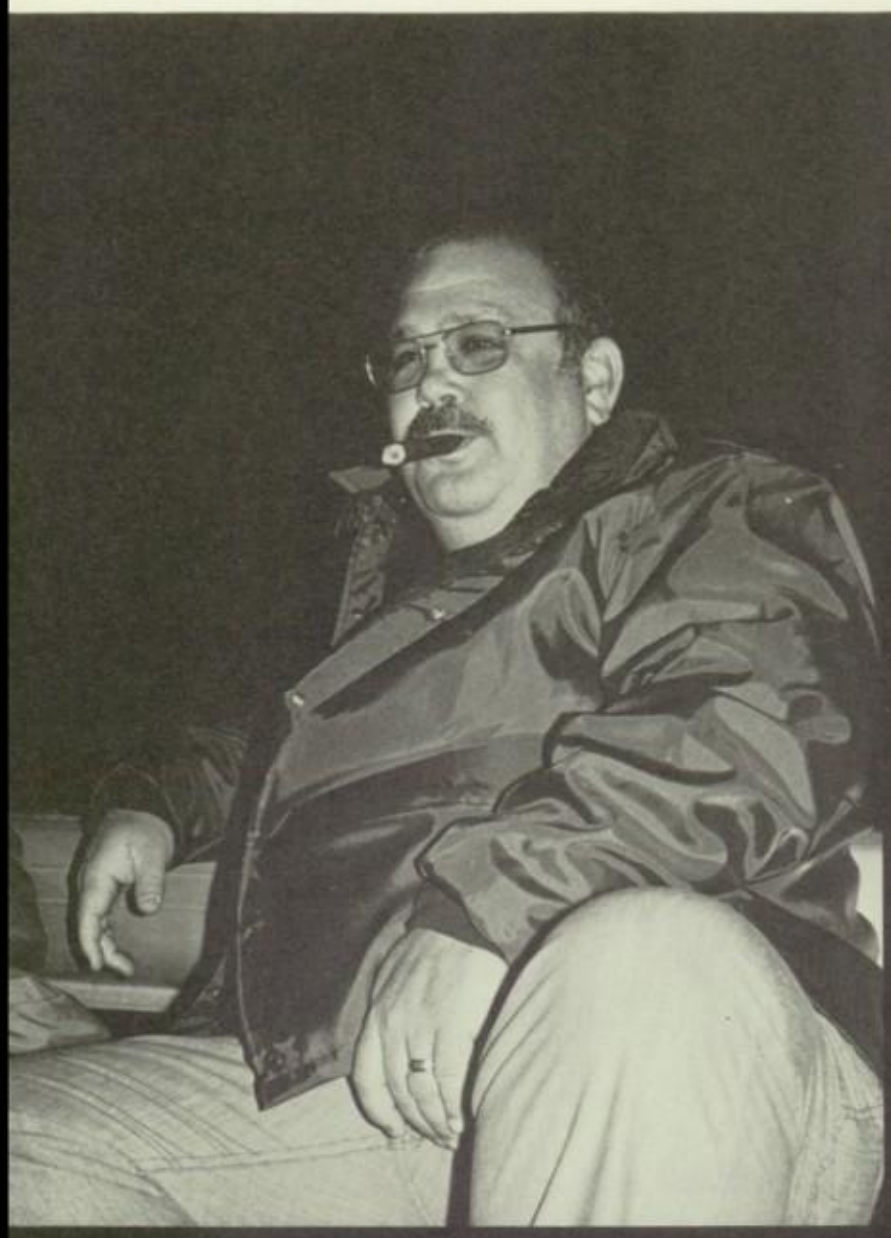
FACULTY

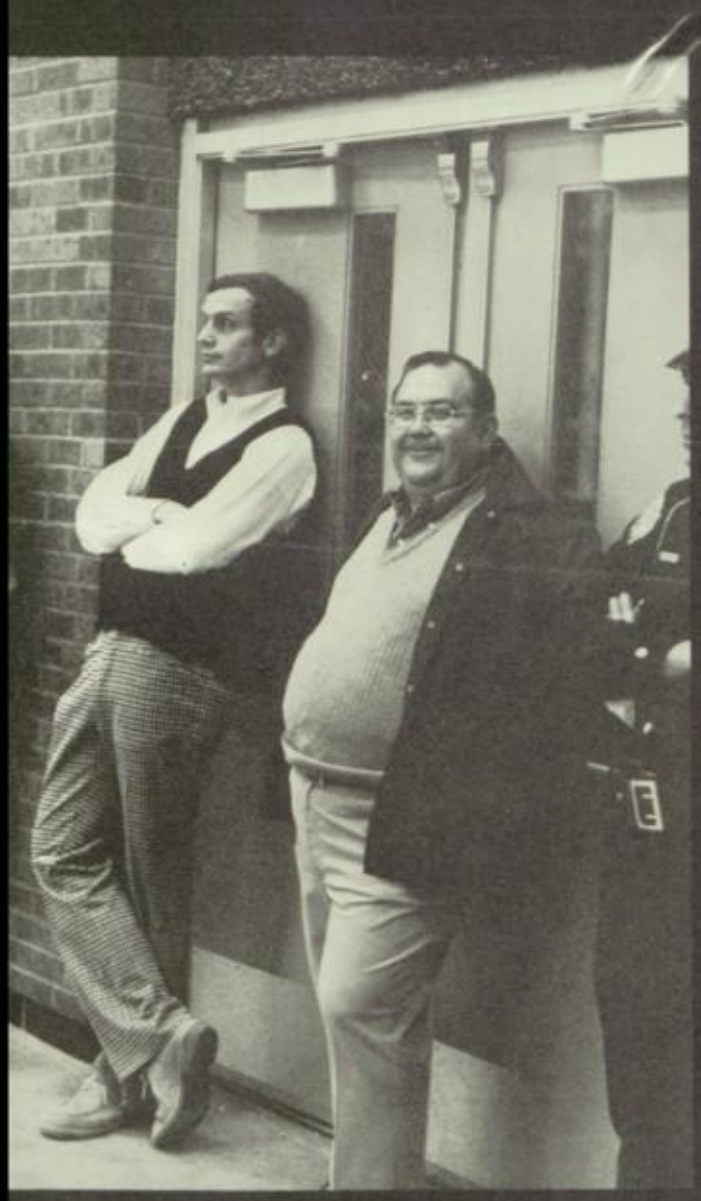
Ballard's Principal Pat Crawford

Pat Crawford, our principal here at Ballard is a tireless man, totally dedicated to the welfare of his students. As busy as he is kept, Mr. Crawford always has time to talk, whether it be about classes, lunches, or an upcoming game. We think P.C. is doing a great job of seeing that life goes smoothly at Ballard.



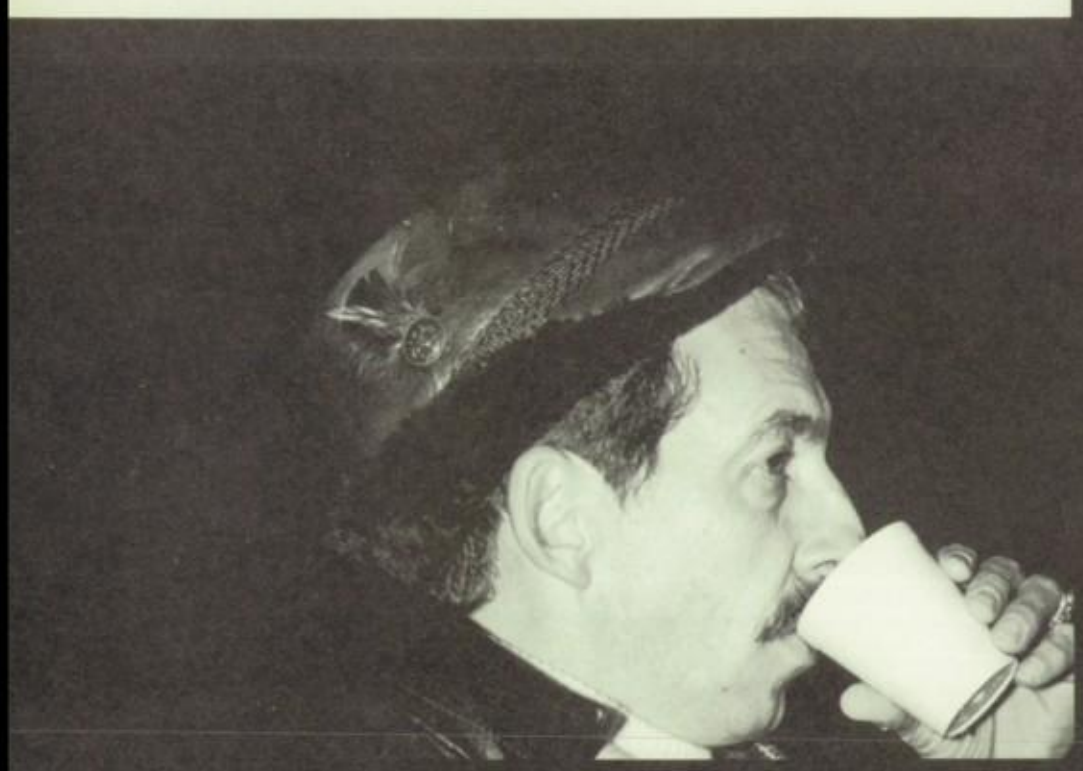


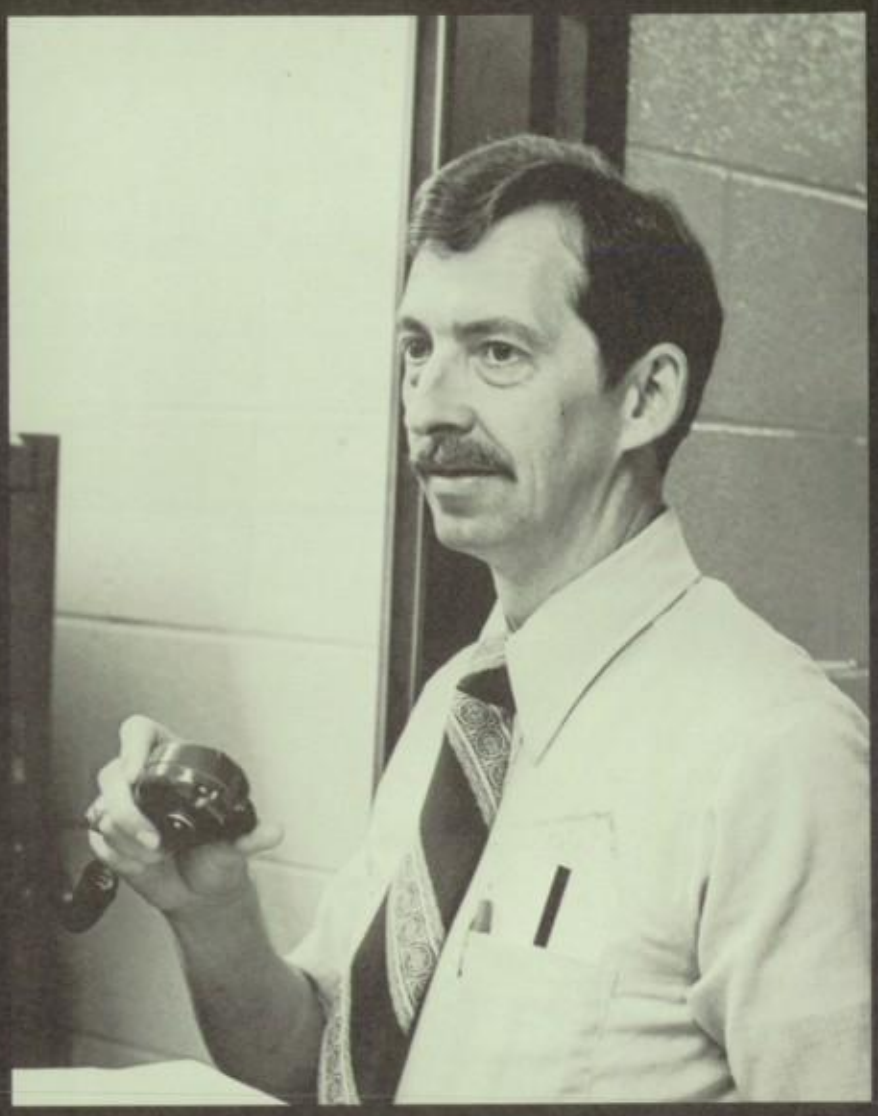




A. B. Sandefur

Mr. Sandefur has certainly had his hands full being the only Assistant Principal at Ballard this year. Mr. Sandefur is "the always there" member of our administration. If something needs taking care of, chances are Mr. Sandefur is the one you should see. We would like to thank him for doing a fine job! Mr. Sandefur, a graduate of Western Kentucky University, enjoys reading, hunting, and sports in his spare time.





Harold Buckles

Mr. Buckles, Principal of the Junior High, has done a great job of keeping the junior highers in line. Not only is this a hard job but it's often times frustrating and quite tiring. Mr. Buckles has worked hard and we think he's the greatest! A graduate of U.K., U.L., and Western, Mr. Buckles enjoys golf and bowling in his spare time.

The Way We Were

Memories,
Like the corners of my mind
Misty water color memories
of the way we were

Scattered pictures of the times
we left behind
Smiles we gave to one another
in the way we were

Can it be that it was all so
simple then,
Or has time rewritten every line?
If we had the chance to do it all again
Tell me would we, could we

Memories,
may be beautiful and yet,
What's too painful to remember, we
simply choose to forget
So it's the laughter we will remember
Whenever we remember the way we were

to set on your sill,
The ghosts of the dawn
moving near
They pass through your sorrows
and leave you quite still . . .
